Approval of the draft budget for 2027 – 2028

IMPORTANT NOTICE TO MEMBERS:

NOTICE OF INTENDED SPECIAL RESOLUTION TO INCREASE THE BID TARGETED RATE GRANT FROM \$187,902 TO \$229,240 BEING A 22% INCREASE OF \$41,338 FOR THE 2027-2028 FINANCIAL YEAR

The proposed increase is required to maintain the Association's current BID programme and continue delivering services to the Browns Bay business community, while accounting for increased operating and programme costs.

The \$41,338 increase comprises:

- \$2,100 increase in essential overheads.
- \$16,651 increase in the cost of delivering the Association's current events and promotions programme.
- The remainder of the increase (\$22,587) brings the targeted rate back into line with CPI increases. In the last 16 years NZ consumer prices have risen 51.6% whilst the grant has risen by only 25.3%. This will mean that for future years the targeted rate will only require inflationary adjustments.

The Association aims for its BID programme to be more economically protected and less reliant on speculative income in an environment of shrinking grants funding. The increase will enable the Association to continue delivering its existing programme and services at a sustainable level in 2027 - 2028.

In real terms, the 22% rate increase for an average size tenancy in Browns Bay (c.177sqm) equates to \$283 per annum, or \$23.60 per month.

Special Resolution #1: The Browns Bay Business Association receives and approves:

the following financial year 2027 - 2028 draft budget, which includes a BID targeted rate grant amount of \$229,240 including a 22% increase or \$41,338 to the BID targeted rate grant for 2027 - 2028 financial year. Further ask the Hibiscus and Bays Local Board recommend to the Governing Body the amount of \$229,240 be included in the Auckland Council draft 2027 - 2028 annual budget consultation process.

Moved:

Seconded:

Carried
